Donna's welcoming nature and radiant smile made all the difference. As I viewed the memorial video, the sun broke through the clouds which is indicative of what Donna did, broke through a dreary time to shine a light!

I loved my speech therapist Mrs Bond who promised my dad not to get rid of my southern accent when we first moved to Columbus. She was always fun and happy. Nancy Phillips Buie

I will never forget our teaching days in “The Van” with Donna and Jonnie! Donna was such fun and she never missed a beat professionally. She was dedicated to her students and she helped countless children develop better speech. Personally, Donna was a dear friend and we went on trips together and shared birthdays & our children’s milestones. Donna was a bright light in all that she did - a true Angel on Earth and now in Heaven. We were all blessed to know her❤️
