“ I so appreciated have Betty and Paul as my neighbors here at the Woods. I had missed her since it was necessary for her to leave. We had good times playing cards together. Missed her grandson coming to visit her also. My sympathy to all of her caring family.

“ As a teenager when Betty and Paul were married I always looked up to her as a standard to be emulated . She was a very good friend and sister in law. Her passing will forever leave a hole in my life and hope I am a better person for having had her in my life. Rest now.
