“ Bruce was a good friend. We rode motorcycles together and worked together. He helped me over some tough times. I am now wheelchair bound and cannot attend services but Bruce and Luanda will be on my mind. Big hugs Luanda. Wil Bostic. 740-704-5327

“ Bruce was the patriarch of this family and is greatly missed but cherished forever! His legacy will carry on by many generations to come! He was a very hard working, loving, strong, generous, passionate and a man with the biggest heart! I'm so proud to have been his daughter in law and a better human having been part of his life. We love you Grandpa.

“ Paul Thompson, Bruce and Tom Abrahamson enjoyed working together in the woodshop. Photo from Tom's shop in Marysville in August of 2018. We will miss Bruce, but thoroughly enjoyed the time we spent together golfing, woodworking and having an occasional IPA. Rest in peace Bruce our friend.

“ We have had a long history with Bruce and Luana. Jackie & I were work associates at Nationwide, J worked in Credit Union with him on PEP. We enjoyed a wonderful wine dinner of goulash and paired wine at their previous house. We spent time together at Lake Lore, golfing boating, and maybe a pop or two. Spent a lot of time with them at Indian Lake where they introduced us to the Tilton Hilton, the lake frozen over that day but it was perfect. We both purchased condos in Costa Rico that were being built on tico time. Still not complete many years later. We had many impromptu visits after golf enjoying a bourbon on their patio or at Wedgewood. We often went to Claudianas for dinner with Joe & Leah Polis and the Hinz's. He was Paul's woodworking teacher. Our first project was to build a crib for our Goddaughter. When we found out she was having twins, the master builder, supersized the pattern for two babies. AMAZING. We also built a country kitchen table and benches for our daughter Amy, with the help of our close friend, Tom Abrahamson in his woodshop. Many special memories with a special friend that will be dearly missed by all who knew this special man and loved him as Jackie and I did. We keep Luana in our prayers.
