“ Betsy Krieger- My family lived across the street from Carol for many years. She and Rich were very dear friends of my parents. Carol was a fantastic cook and brought over many dishes to share. She was my softball coach in elementary school- our team was called the Lemonettes and I have many wonderful memories of our practices and games. Carol was a very dear and generous person and was a blessing for so many. My thoughts and prayers are with Marla and her family

“ I have been care giver for Carol from 01/04/21 and I really enjoyed and learn a lot from her. Carol is someone who say things how she see it and she's very caring and sweet with good sense of humor. She always want to make sure I eat. I will remember her anytime I sing because she told me I have ugly voice and pumpkin can sing better than me . My heart is broken because I don't have any one, who will call me little monkey! Goofy, sweety and honey. She promised to dance at my wedding. We had plans But God have his own plan for her. My heart is broken but I know she's always going to be here with me as she promised. I promise to dance in the snow for you anytime it snows. Rest in paradise mama! Wilma Anderson

“ My favorite memory of the entire Ohio Mediatore family is the summer they drove to New York with a trunkful of fireworks. Uncle Rich and Mike brought *everything* that could explode in a shower of white hot sky flowers. And I was obsessed with the simple sparklers. Aunt Carol liked those, too and gave me my own box of them. And said I didn't have to share if I didn't want to. :)

“ Aunt Carol saved my pasta salad. For years I kept trying to make this supposedly simple dish and it just never turned out *right*. At a family gathering she served up her Italian pasta salad and it was PERFECT. I asked her what she did and at first she's telling me, "I can't tell you that, it's a secret" and she's giggling the whole time. Then she hugs me and says, "Oh, sweetie, I would never make the dressing for that salad. I use Wishbone Italian dressing. Put 3/4 of the bottle in the salad, chill it over night, and then use the rest in the salad the next day."

Yup. This recipe has never failed since she told me that.

“ My Aunt Carol was a beautiful woman and an amazing cook. When I was child, I loved visiting my Ohio family because her home was always so warm and welcoming. From the adorable little snowmen accents all around the house to the delicious meals she prepared, Aunt Carol was a gracious hostess with a beautiful home. Her chicken casserole is my favorite dish. May she rest in peace. With much love, Sandy
