“ Terry and family,
I just learned of Cynthia's death and Jacki and I sent our thoughts and prayers your way. She always had your back and I know how much you relied on her in so many ways. I watched her quietly absorb everything around her at MetroHealth so she could be sure you hadn't missed anything. I will miss her sharp wit and good advice.

“ Dear Terry, Ann, Stephanie and Family,

We are so very saddened at the loss of Cynthia and all of you are in our prayers. We have so many great memories of a brilliant quick-witted, and funny friend who always made us laugh. So many great times at Village Green and Chautauqua with all the parties and laughs and your wonderful hospitality. I could go on and on.....

May you find comfort in the great memories and may God bring you peace.

With love always,
Karen and Lance

“ Cynthia and Terry visited me at my home in Sausalito, California where I lived with my two children, Patrick and Julianne, and my husband Fred Krauss. Cynthia gave me some very appreciated advice some years later when Fred and I divorced. I will keep her in my prayers and trust that she has gone to Heaven.

With much love,
Jean Comerford
