“ My wife, Lynne, and I send our sincere condolences regarding Dave's passing. What a great guy! He will always be a wonderful and important part of my memory growing up in Worthington and working at the Home Market in the late 60s! And the tradition continued because our daughters also got to know Dave.

I always enjoyed our conversations and his practical perspectives. His smile and quiet sense of humor - and the twinkle in his eye - will remain with me forever.

God Bless Dave Bachelor!

“ I overlapped with Dave for more than 20 years as I worked on the Cemetery Advisory Board, first in his role as Township Trustee and then on the Advisory Board itself. He was a joy to work with, his dedication to the community at large always came through. But most of all, we became friends as Dave did with just about everyone. He always had a kind word, a greeting, donuts brought to a meeting or something from his garden. He also would include my family in the greetings. He was a real class act and his equal will not be seen again anytime soon. We will miss him so very much. We were blessed to have known him.

“ My mother, Polly Tewart and I shopped often at the Home Market. She would purchase the food used for her Home Economics classes at Thomas Worthington High School there. I remember David was always helpful with the ordering, boxing and loading in our car. He was so friendly and kind! I know he will be missed by the Worthington community. -Sara Dale

“ My condolences to Mr. Bachelor's family. I've lived in Worthington for over 50 years, and my children grew up going to the Home Market for me. One of the saddest days was the day the Home Market Closed. Still appreciate the values the store represented, simplicity, generosity, and care for the community. Mr. Bachelor, Rest in Peace and Rise in Glory.

“ An important part of Worthington history has passed with the death of Dave Bachelor. Those of us who lived in Worthington in the 1970s cherished the Home Market and the small-town identity it helped our community to maintain, long after the big box stores surrounded us. Dave was always the first to support public causes and served as a Sharon Township Trustee for many years. Like the Home Market, Dave was one of a kind and will be missed.

“ David was a good friend of my parents. They meant thru Home Market. Every Sat we would go there and pick up our meat order and any other food items we needed. And then they became friends outside of the Market. I have so many memories of him and the Market. All my prayers and thoughts are with his family.

“ Jodi and the entire Bachelor family - your dad was my first boss, the summer of '76 as I worked restocking produce! He was a wonderful person with a great smile. Jodi, know that you all remain in my prayers - Theresa DiNardo Brown

“ We Chapin girls always called him Uncle David, but he was a first or second cousin. He has been such an important part of our lives. Sue worked for him for years at the Home Market, I worked there as a teen, he officiated at the funerals of my sister, Sue, my dad, Bob Chapin and my mother, Irene. His family lived across from my Grandmother's farm on McCoy and he had many stories to tell about my grandparents and the neighbors. He always sent Christmas cards or called. I loved speaking with him and listening to his stories. He helped clear up some family history as well. I will miss him so much. Sue will surely be nattering at him once again. Condolences to all the family on such a loss. Ron and Margie

“ David was my neighbor. I grew up with his kids. He was my Mom's boss at the Home Market. I remember talking over the fence about our gardens. Said he always looked down the hill to see if I was working in the yard like my Mom did. Will miss you David. God bless. Ilze Abolins

“ I have such fond memories of David, Pat and family. The iconic Home Market will always be part of Worthington’s wonderful history. A great man that assisted in caring for my son Rick, 50 some years ago. RIP David. Prayers to the family.
