

## Donald David Carroll Sr.

September 30, 1937 - November 10, 2020

Donald David Carroll Sr., age 83, passed away peacefully, Tuesday, November 10, 2020, to rejoin his wife of 61 years, Patty, who passed away in late December. He met his mate for life, Patty in 1st grade. He proudly told the story of carrying her books to school each day walking down Wilson Avenue. Don, affectionately known as Donzie, was always the life of the party, with Hershey bar in cargo pocket right, flashlight in cargo pocket left, hankie and pen and paper in breast pocket, he had so many pockets to fill. They were always filled with love should any occasion arise.

Donny was a graduate of Holy Rosary High School, Class of 1955 where he served as their very first student council president, was a member of the National Honor Society, and was a decorated state finalist swimmer. He attended St. Charles Borromeo Seminary College, (briefly, until as he would tell it, his future wife Patty collected him), went on to attend Ohio University, and graduated from THE Ohio State University. Don spent several years as a Reservist in the Ohio National Guard. Spanning the many years of raising 6 children with Patty in Columbus, Scotch Plains, New Jersey and back to Dublin, Ohio. He served as Cub Scout Master, Leader with the Indian Guides, baseball coach, and was a member of the St. Timothy Finance Committee.

Don started his career with Rockwell International in Columbus, relocated his family to Scotch Plains New Jersey where he was a Purchasing agent for Westinghouse, finally ending his career back in Columbus, as co-owner and operator of his father's family business John A. "Judy" Carroll Scrap Metal on Goodale Avenue. Don was on the leading edge of the 'green movement' in recycling, long before it was trendy. In Don's eyes, even the empty milk-jug had a second act, collecting rainwater for all his outdoor plants.

Some of the best memories of families and friends were spent during summers on Emerald Isle, NC, where he would be found digging the most impressive sand crater for the kids and grandkids to play in. Don would be adorned in his signature beach attire, half shirt and floppy hat. He enjoyed his evening happy hours with a Tanqueray and Tonic while supervising the dinner preparations, Patty whipping up his favorite linguini and white

clam sauce, or blue soft-shell crabs on the deck. Don loved the evening sunsets on the deck in his rocking chair, looking out over the surf, proudly watching his Irish flag wave in the ocean breeze.

Donny was preceded in death by his wife, Patty of 61 years and his infant daughter, Kimberly; parents John and Frances (Schoppelrei) Carroll, sisters and brothers Eileen (McGreevy), Jane (Reese), John, Paul, and Thomas. Survived by his sister Ann (Hall); children, Katherine (Steve) Marsh, Susan (Joel) Solinger, Mary Beth (Andy) Vejnaska, David (Nicole), Tim (Ann), and Erin (Chad) Stanley; 26 grandchildren; 9 great-grandchildren; many nieces, nephews, and very dear friends.

“ We were sorry to hear of Don's passing. As a classmate of his at Rosary High School, I remember him as a fun loving and great guy. Seeing him over the years reinforced that image. RIP

“ Dear Carroll Cousins and beyond!  
Please accept our deepest sympathy for the loss of your sweet, loving dad and grandfather. There is certainly a joyful reunion happening in Heaven with he and Aunt Patty! He was a character of the best kind! Even in a crowded, noisy room Uncle Don had a way of leaning in to hear what you had to say, and would always ask about our family and things we shared in common. We will miss him. God Bless you all as you muddle through his loss.

“ I was honored to be a hospice volunteer for Patty Carroll and during my visits with her, I often had the opportunity to visit with Don. What a strong, long and loving relationship they had. Don would talk about how they met as grade school children and how he knew she was the only girl for him. The beauty of Don and Patty's marriage is certainly expressed in their big beautiful family. My deepest sympathies to the family on Don's passing.

“ Maurice and I were so sad to read that Don has passed away.. However, we know that he and Patty are together and smiling down on all of us, Patty with a glass of Blackstone in hand and Don with a cold beer. We spent so many wonderful times with them and other Columbus friends at Siesta Key! Patty and I would have fun cooking her favorite dishes, and of course watching the sun set over the white sand beach was a special time filled with laughter, great stories and planning what games to play after dinner! In fact we have a photo of Pat and Don enjoying one of these sunsets on our mantel.  
Maurice and I send our love and our prayers to each of you and pray that God fills your hearts with love and wonderful memories of Pat and Don!

Love,  
Mary and Maurice
