“ Elaine, Tracie, Tonya, and Terri,  
So sorry to learn of Esme's passing. Just looking at that great picture of her brings back so many good memories of all the fun Thanksgiving and family gatherings we all used to have. Esme was always such a classy lady and would only want to talk about how each of us was doing and not herself. Can't help but think of her in the kitchen watching Wayne take control of the gravy production!!.. Such a super nice lady. Take care and enjoy thinking about those good times.
