“ There are no words to express our deep sorrow with Janet's death. We have had so many wonderful times with Janet and Tim. She deeply loved her family, and I always looked forward to all of the recent pictures she would share of her children and grandchildren during visits. She was such a tower of strength and fortitude, and her eternal sweet smile will never be forgotten. Our deepest sympathies to her children, grandchildren, and family and especially to our dear friend Tim. You are all in our thoughts and prayers. Janet will be a beautiful guardian angel.
