“ Madelyn was definitely a very special lady. Always cheerful, pleasant and a terrific neighbor. We enjoyed many summer nights of “porch sitting talks” and sharing some great recipes. She loved to bake apple pie (baked only with Granny Smith apples) and an order of spare ribs from Applebee’s was super special to her. She was very fashion chic (even while doing yard work). She loved going to the Symphony and was herself a lovely singer. She was definitely a bright spot in our neighborhood and she will be sorely missed. Our lives will not be the same. Rest in Peace, Madelyn.

“ Madelyn is a fine soul with the Father now. I will miss her at lunch, which I have for some time now. Her stories were always welcomed and loved here company at my birthday, Christmas, lunches for the church. Here are some of our times together. I'm sure I have many more but these were the one I could find were I shared some time with her. I and My Family send our deepest condolences to her family, May God be with you in this time of need and strengthening.
