“ My husband and I lived next to Bob and Doris for a little over 5 years. They were the sweetest, kindest people I have ever met. When we moved I continued to bring my girls over to visit them and to see their beautiful flowers. I still have plants in my yard today that started as seeds given to us by them. I am so sorry about his passing but am happy he is with Doris again. Much love. Meredith Snyder

“ As a neighbor for many years, McGhee was an inspiration. I've never seen a woodpile like he could build! Always working on some project, or helping another neighbor. He'll be missed.

“ What a loving and gracious family he created. You were with him every step, every breath of the way. May warm memories wrap you gently as you live on without him. Love to you all.
