“ Tommy always seemed very happy and excited when fishing! I am so glad I got to know him over the last 12 plus years on Liebert fishing trips and through our work. He was one of the best fishermen I knew, he loved from the detailed preparation to the techniques and the challenges! There were four of us guys that typically went annually Dave Rubcich, Charles Shy and myself with Tommy. We will certainly miss him and talking of a trip in his honor. My sincerely condolences, Tim McCord, Knoxville Tennessee.

“ I am deeply saddened by the news of your loss. I pray that God will grant you strength. You have my most sincere condolences.
Tom always kept everyone around him smiling. Traveling to sales offices after him was like going in after the headliner finished his last set.
He was a tough act to follow. He will be missed.

“ I worked with Sean, so I didn't know Mr. Pfendler, but I know the kind of person Sean is. That tells me that he was raised to be kind and giving. The measure of a man can be found in his children. Love and light to all who love and celebrate the life of Mr. Pfendler.

“ I had the privilege of knowing Tom in an earlier stage of life - he was my fellow redhead (when we had hair!) in the offensive backfield in high school football. I always knew he would go far in life. My condolences to the Pfendler family. God bless.

“ I knew Tom as the father of my friend, Sean. He was clearly the kind of dad anyone would be happy to have. Watching the family interact always impressed me. There was acceptance, love and genuine affection in how they dealt with each others. He was a proud father and Sean was a great son, and i always felt better about the world when I was around them. He will be missed, but he left a great legacy in Sean.

“ I worked with Tom for several years at Liebert/Emerson Network Power/Vertiv. In addition to being a genuinely nice guy, I found that I always learned something when talking with Tom. He never spared a moment to help me understand any product, any concept, any anything if I asked for his help. I always enjoyed his sense of humor as well. My deepest condolences go out to his family in this difficult time.

“ Sadness abounds to learn of Tom's passing. During my many years at Liebert/Emerson/Vertiv, I routinely found this subject matter expert sharing his knowledge in a comforting and humorous manner. Blessings to the Pfendler family.

“ Kathy, The entire Liebert families (us rep's) have all been touched by Tom is so many ways, either directly with engineering seminars or factory tests or at national sales meetings with his entertaining presentations!

My favorite story with Tom is a factory test in California in the late 90's and the test was Not going well and the customer was getting concerned? Tom interceded with his wit and calmness to assure the factory would make it right....Hours went by and Yes the test was successful and the client has been loyal to Liebert/Vertiv for 25 years now.

He was a friend and a electrical mentor to me to 35 years, I will miss him dearly!

“ Kathy - my deepest sympathies go out to you and your family! Tom and I have been friends through work for over 30 years. We've traveled together and have many lasting memories that I'll always cherish. Tom is responsible (to blame?!) for introducing me to fly-fishing. We made numerous trips together, and he always caught the first / the most / the largest fish! I'll miss him dearly. Prayers for you, Tom, and your entire family.

“ So sorry to hear of Tom's passing. I'll always remember him as the guy with the quick wit and ready laugh. Too many fond memories to convey here. I've known Tom for many years, from grade school, H.S. (VC football!), and on into our college years at Penn State. My most sincere condolences to the entire Pfendler family, who I grew up with, especially Tom's brother Jim who was one of my best friends in grade school, H.S., and my first roommate at PSU Behrend and to Tom's wife, Kathy, whom I came to know while at Behrend and also while living at the Beaver Terrace Apts. at PSU Main Campus. Seems like yesterday! Again, my heartfelt sympathies to you all.

We all have had a challenge coming to grips with this terrible loss of our mentor and friend! When we needed some help that could wait for him to finish other duties, we sent the message to "Tom." When we were in an urgent need, we sent the message to "Pfather Pfendler" and he would get with us immediately! He was our favorite Nittany Lion and a true friend! Tom was a good person and we know the Lord is watching over him now!
Peace be with you Tom!

Lisa King - May 21 at 10:33 AM

“ Tom knew a great secret in life, how to take great joy in simple things. Tom didn't just stop to smell the roses. He'd take great deep breaths of the rose, hold it for a moment with eyes closed, slowly exhale with a big smile on his face and open his sparkling blue eyes and his smile would grow even wider. Then he'd proclaim with his own style of enthusiasm, "Oh man, you gotta smell that, it's just great, just great!!", inviting you to join into his joy.
