“ Dear John Homsy and Family, I am so sorry to hear of the loss of Alice. My thoughts and prayers goes out to each of you at this time. John I saw the article in the Antelope Valley Press and I had to let you know that I am thinking of you and to let you know that you are not alone. I know the saying goes that "as time goes by it will get easier", and it really does. As you know I went through this three years ago with Butch. Just keep very busy and find yourself a new hobby and just jump into it with both feet and keep very busy. If you ever need someone to talk too other than family I still have a good shoulder to cry on and one good ear to listen. I am no longer with the Prostate Cancer Support Group but I am here John anytime you need to talk. My thoughts and prayers are with you and your family. “ Dearest John, Jimmy, Gary and family, Tom and I are so sorry to hear about Alice. We opened the AV Press this morning and to our surprise saw Alice's picture in the obituary column. We didn't know that you had moved to Ohio. Alice was certainly an inspiration to all of us and to all who knew her. What a wonderful lady. A wonderful mother and wife and the two of you taught and raised two wonderful boys. You all were fine neighbors in our neighborhood. Our deepest sympathy and prayers are with you all. It is so hard to lose a loved one. Your faith will carry you. God bless you all. , Tom and Mary Louise McMurtry
