“ To the family of Elaine, Most of you have no clue on who I am. I must however tell you that Elain's passing is going to be a great loss to everyone who knew her. I remember the first time I met her and Ken at Chris's baseball game. Both smiling. They always had that smile the few times I was lucky enough to see them. Even at Ken's funeral Elain had a sad smile but she had such grace. Just know that they made a beautiful impression on someone they met only a few times. I can now imagine them together, sitting on their lawn chairs, sun shining off their beautiful smiling faces. Thank God for being able to meet such wonderful people. Sincerely k
