“ *We were so privileged to get to know both Mike and Carol Lynne in his later years a he was passionately pursuing a relationship with Jesus. As with other things throughout his life he used his reason and investigative efforts to get all he could from God's Word and compare what he had learned and experienced in life to make sense of it all. He embraced the Lord fully and we will be eager for a reunion in heaven. So glad for that hope! His pursuit of God was and inspiration for our entire Bible study!*

“ I am sorry to hear of Michaels passing. My name is Tom O’Connor, son of Billy O’Connor. I met Mike one time as a small child while on Cape Cod. My dad told us later he was an “FBI man”. I was very impressed with my 1st cousin. In 1997 and 1998 my wife Jean and I followed Mike into the FBI. We just retired in Sept 2019. We spoke recently of tracking down Mike in retirement. I wish we had. From two FBI Agents to another... you have done your work here. God speed and our thoughts and prayers are with your family. Tom and Jean O’Connor, Alexandria, Va

“ I admired your dad immensely when we were young, Matt. Don't know if you remember this, but when your parents took us to King's island (1982?) and we were leaving at night, walking to the car, and some older guys started giving us some trouble - showing off for their girlfriends, I think - and didn't know we were with your parents. When one of them said something threatening your dad casually chimed in with “I wouldn't recommend that, pally...” in a dead calm Boston voice... and they knew he wasn't bluffing. The older boys beat a hasty retreat. It's one of my favorite childhood memories. He was one of a kind.
My bottomless condolences on your loss. Peace.

“ Matt and family so very sorry for your loss. Your dad was a great man. It was my honor to be able to work for him and learn from him. I remember him taking time off from his schedule after work to teach all of us that worked for intellinetics self defense tactics. He was a very caring man.
