“ *To Addie,*

I generally only saw you about once a year on average, but you were always kind hearted and loving with open arms. It was an honor to be connected to you through growing families. I know in your good hands now.

Love, Spencer

“ *Craig and I are so sad to see Albina leave us. But she leaves behind so many fond memories of Christmas Eve and fish-fry visits and cabbage-roll parties. Condolences to all who knew and loved her.*
