“ Paul and Family, We were so saddened to hear of Adena's passing. She was an amazing woman. We will always remember her as a source of inspiration like none other. She was always happy and positive and always wanted to know how we were before we could ask how she was. Before we moved I remember bringing Maddy to come plant flowers in your beds since Adena wasn't able. She was so happy that we came and wanted to sit out in the hot sun and visit with us, even though I knew she was weak and tired. She was so appreciative, yet we were the ones who received so much that day. She was so brave and so courageous and will be missed. She left her mark on all that knew her. May her soul and all the souls of the faithful departed through the mercy of God rest in peace. Amen.

“ Dear Hostetler family, Although not knowing Ms. Hostetler or your family personally, I want to offer my condolences for your loss. The pain is tremendous from the death of a loved one. It is my hope that you are strengthened from this experience and use this opportunity to increase appreciation and affection for family. As I examine the obituaries and the various ages of individuals that have passed, it emphasizes to me how short life is and how important it is to take advantage of every day of life. We know soon that our Creator will do away with this wicked foe death (Rev 21:3-4) and allow us to live life as he originally intended. It is my hope that you find comfort in these few words.

“ Paul, I was so sorry to hear the news. Adena was a special woman and the fact that she fought so hard for so long makes her one in a million. I will always remember her cheerful attitude and how she was always interested in others and what they were doing, regardless of how dire her own situation was or how much pain she was in. She was a remarkable woman who left an indelible mark on this world. Please accept our deepest sympathy and know that you and your family are in our thoughts and prayers. Amy and Mike O'Donnell
