“ *I knew Al through my association with ACAMS and was honoured to know such a knowledgeable, kind and gentle man. Al always had time for everyone, and I was so pleased that ACAMS has renamed its Volunteer of the Year Award by preceding it with Al's name. I taught exam prep courses with Al, and learned much over the years. I especially enjoyed being on a panel in the years Al co-chaired the conference. Thank you to the Gillum family for sharing Al with ACAMS.*

“ Linda and family...Wade and I want to express our deep sadness for the loss of Uncle Al. He was one of the best men I have ever met. Al was there for my dad, Paul when mom passed. He continued to give of himself when dad passed soon after. I know he is in Heaven with mom and dad....it is because of his kindness and example that Paul gave himself to the Lord. He will be missed here on earth...but Heaven sure does get a beautiful gift with his presence. Wade and I will pray for you and the kids to have peace during this difficult time.

“ *"Grace, mercy and peace be to you from God our Father and our Lord Jesus Christ", a familiar greeting Paul used when addressing his fellow brothers and sisters in Christ and one that we share with all of you today as you reflect and celebrate Al's life here on earth. Not knowing Al all too well, it did not take much to realize what kind of man he was. Loving, caring, kind, compassionate, considerate, dedicated, all words used to describe what a true gentleman he was. He was one of the good guys which will make missing him even worse. However, the Victory is now Al's as he meets our Savior face to face and claims the prize of life with Him for eternity. Our prayer is that God would touch you with his comforting hand during this difficult time and bring you peace. With love from our family to yours... Dan, Jane & Rebecca Deardorff*

“ I would like to extend my condolences to Al's family and friends. Al was my boss when I was a supervisor in Brooklyn, NY. Al was first and foremost a patient and likeable individual. He was a gentleman all the way. Al's passion was dealing with the Audit Program. He was the last of his kind. The type of well rounded inspector that every one should be like. I spoke with Al about a month ago. He sounded just as happy and tranquil as he did 18 years ago. Al was the type of boss you never forget about. He will be sorely missed. Good Bless.

“ I met Al for the first time in December 1987 when I reported to the New York Division as a brand new Postal Inspector. At that time of uncertainty at what the future would bring Al gave me and others a supportive beginning to a long career. Fast forward almost twenty years when I reconnected with Al for another new and positive experience; which led after retirement to my wonderful opportunity as a BSA contractor. He was like a bookend supporting each side of my career. Linda, Robyn, Stacey, Bryan and family I want you to know how much I appreciated Al's trust, patience and compassion. My wife Roberta and I feel the loss, recognize Al's bravery at the end and offer our condolences. He was a true gentleman in every sense

“ Our Family has lost another special member. Uncle Alben was there for my Father when we lost Mom, then he was there again for all of us when we learned that Dad was terminally ill only months later. Uncle Alben truly gave of himself more than he took. He will be greatly missed.
