“ *Alan, "my other brother? always gave me a smile and a kind word,  
We shared many good times. He will live in my heart forever.*

“ *He will always be "Mr Commissioner" to me. We spent many hours  
on the phone over the years talking about lots of different topics. I  
will miss talking to him and hearing his happy go lucky voice. For  
someone that dealt with people's problems all day, he was always  
so upbeat. Great memories of a great person.

“ *I will miss Alan's sense of humor most. Inevitably I would have  
computer issues on a Friday, late afternoon and he would answer  
the phone "from the veranda with a cold one". He was so talented,  
but mostly he made work seem like fun. I will cherish those  
memories.*
