“ *We will miss you greatly Uncle Alan! Thank you for being such a good and caring person, I would not be where I am today if it were not for you and Faye and all that you did for me while I was in college. Joe and I will always remember you every time we pass by the arches in our family room that you and Joe built together. We will miss you fishing in our pond and visiting in your corvette. You smile and southern draw will be what we see/hear each time we think of you. I believe we will hug again in heaven. Rest in peace my dear Uncle Alan.*
