“ *Alix and I met eight and a half years ago after her accident. I will always value her friendship over those years.*

I wrote and posted this poem on her instagram account the day after she passed. I wanted to share it with her family.

*A good friend of mine has passed away and now I struggle with the words to say,
You possessed a heart deeper than the ocean, that contained every magic
Potion.
You lived when others couldn't and faced truths that others wouldn't,
You fought day in and day out,
Of that I have no doubt.
Most of all, you taught a cynical young man how to love, how to live,
And how to see the good in life.
In lesser fields, we lie waiting to escape the throes of gravity.
Rest In Peace angel. You were one of the good ones.*

RIP Alix.

Sincerely, Shaun Berarducci, RT

“ I loved Alix so much and she was a great friend since Sunny and I hired her at Forever 21 all those years ago... She was a joy to work with and as a friend, we had so many great times and laughs and coffees together, she would send me on missions the last 4 years or so to find her Halloween costumes for her and we had so much fun planning. I miss her so much and send all my love to her family and friends who are grieving. I know she would want us to remember her ALWAYS (HP) and all her great smiles, laughter, and movie and tv chats. She was and is such an inspiration. -SEM
