“ *Dear John and Family. I was so sorry to read about your mother. I hope you are all doing well and at peace with her passing. I'm sure you had a long journey and at times painful one. My mother has had Alzheimer's for 15 years so I can appreciate what you have been through. Your Mother was so kind and caring so I know you will miss her and her sweet smile. I hope you take comfort in your family and friends at this most difficult time. My thoughts and prayers are with you and your family. Leslie*
