

Alice Poulter

July 5, 1956 - December 20, 2018

Another angel has been called home. On December 20th 2018 Alice (Kitty) Poulter, 62, passed away peacefully leaving behind her sons Jud Poulter (Kate) and three grandchildren Mason, Chase and Sierra. Chris Poulter, brothers Butch (Leslie), Chuck (Rosemary) and Joe (Laura) Hackney. Her devotion to faith was uncompromising as was her love for her sons and grandchildren. After Kitty's mother (Dorothy) passed away she devoted nearly 15 years to being a caregiver for families in need. Kitty spent the last 3 years watching her grand kids play sports, belting out screams and cheers from the sidelines. Her smile and laughter was one of a kind and will be greatly missed, but she will be felt in the gentle breeze of spring, the steady rains of summer and the beauty of fall.

Celebration arrangements will be held at Scioto Reserve Country Club, at The Turn from 3pm-7pm on January 3rd, 2019 as a time to celebrate Kitty. She requested that in Lieu of flowers, contribution may be made in honor of her grandchildren that she loved and cared for greatly.

A Memorial fund is set up at Huntington National Bank, 55 Meadow Park Ave. Lewis Center, Ohio 43035 in c/o of Mason, Chase and Sierra Poulter

“ *There wasn't a day gone by that I didn't think about my dear friend Kitty after she moved away in our 10th grade of high school. We met in the 2nd grade and became best friends. I'll never forget our walks to the 7/11 store to get an icee and her favorite Zero candy bars, tumbling on the playground, twirling our batons and especially running the pony ride at Frontier City here in Oklahoma City with her Grandpa Hub that summer.....*

My memories with Kitty are so special to me. No matter where she was living we always kept in touch. First with letters then cards and then emails all these years to let each other know how things were going with our families. She always talked so much about her grandchildren and how she enjoyed being with them. She would send pictures of them often. Kitty was always there for me during our time together in Oklahoma City, Just living a few houses apart, we were always together. It broke our hearts when she moved away, but our friendship lasted forever. I loved her so much and will miss her dearly. My love for her will forever be in my heart.

Sally, just saw this! I have thought about you so much since Kitty left us. I am so thankful you knew. Since I have known her, you were the only one that cam to mind as her good friend. I couldn't remember your last name to try and track you down. I only met you the one time. She loved you! And she will be soooo missed. If she had made it 1 more day, I would have been with her. Just breaks my heart. Debbie Pettigrew
