“ I just heard about Alice's passing and wanted to offer my condolences. We were classmates, neighbors and friends in high school. The last time I saw her was at our 25th high school reunion which was quite a while ago. She was still the same sweet, caring person I always remembered. She will be missed. Peace and blessings to her family at this time of loss.

“ Michelle and family, I knew your Mom first at the age of the band picture. She was quite a good clarinet player. Through the years of high school we were quite close. So many memories! What a beautiful family she came from!! And what a beautiful soul she was and will always continue to be. What a loss for you and, indeed, the world to lose one so kind and dear. I reach out to all of you with love and condolences.

“ The minute I heard my heart went out to Christopher and Michelle. I know all too well what it is to lose a parent. What helps me is to know that my father is in a better place and that one day I will see him again. To top it off, the next time will be for ETERNITY! Hang onto that hope and seek comfort from your heavenly father. I love you all and wish I could be there to hug each and everyone of you! Josie

“ I am so sorry for your loss. What comforts me is that there is no more pain and she is in the best place. I only met her once but if she is anything like you, Michelle, she was a beautiful and kind person.
