“ To Alison’s family, I am very sorry to hear about her passing. I’ve known her for over 40 years. I’ll never forget when I first met her. It was fall of 1983. We were in Mrs. Kuyil’s 6th grade class together in Lacey Township Middle School, NJ. I introduced myself to her. I could not find one fault with her. I liked her, and asked her out. She was the first girlfriend I’ve ever had. Well it was sixth grade so going out meant playing on the playground together or swimming at the lake. As we got older we stayed friends through high school. But after school, life happened. A few years after, I left NJ, joined the military, and got married. And at some point I heard she left for Ohio. Years later I joined the rest of society on Facebook and we reconnected. She had a great heart. I don’t know what everyone else believes but I do not mourn for people after they pass. I believe she is at peace. I mourn for her family and loved ones that miss her every day. May God bless her family and watch over them.
