“ *Dear Susan, George and families,
Although I have a strange way of saying it on those rare times I run into George (at least 10 years ago now), the best part of my childhood was having you guys two doors away. Many memories of football on the street with George and my brother (now deceased) and of making doll houses on rainy days with Susan on our front porch. How fortunate you were to have had your mother for so long. My mother passed in 1985 and my dad in 2006. The neighborhood has changed, but the memories have not. Please accept my condolences on the loss of your mother. She was a great lady who raised two wonderful children. Sincerely, Vicki Nolan Malone*

“ *We're so sorry to hear about Aunt Alma's passing, but are glad that she is finally at peace. She was an amazing lady who we loved visiting when we lived in Ohio, and enjoyed her stories and her miniature house so much. When we saw her last in 2012, we were able to give our kids memories of her as well - ones they remember since they were old enough. The Gramlichs here in Albuquerque are sending you many warm thoughts, hugs, and condolences.*
