“ *I know Amber from way back when we were kids. My son knows her sons played flag football and from school. I was in disbelief when I heard she had passed away. God bless and comfort her family, and Jesus welcome her home with open arms. Bod Bless*

“ *Amber was definitely a mama bear. Every time I saw her she asked after my boys and was concerned for them, long after Larry was no longer their coach. Larry and Rodney, our condolences to you. Your mom will be missed.*
