“ Gita and family,

I am so very sorry for your loss. Mom remembers your family fondly and sends her sympathy as well. We had such fun times growing up together, didn't we? Your parents were always so gracious. I was so happy to be able to reconnect with them at an IAA function in the 90s when I was working for the March of Dimes. I hope you are well. I'm praying for your comfort and peace at this difficult time, and that your precious memories of your father will be a blessing to you. God bless, my friend.

This is Suresh and Pratibha, Neighbor in 70's, Our Sincerest Condolences

We had great time to gather when we lived on Linworth Road, Anand and I will play Tennis at Indian Hills court and See Sanjay riding Full size bike in a frame of Six or Seven years old standing position maintaining balance. Then we shifted to Newark and i was flying from Atlanta to Columbus and saw Anand in the same flight, we chatted and compared the notes, mostly about kids

later about 10 years ago we were at 'Gokul' restaurant and met Anand and Sashi, always joy and fun to see each other

i know he was an Accomplished Structural Engineer and well learned in aspects of life

Sorry to hear about the loss but also time to celebrate his life and his nobility

Be strong and take care
