

## Anastasia Jehorek

July 4, 2008 - February 27, 2026

Anastasia Jehorek 17, passed away tragically and unexpectedly in a car accident, leaving behind a community heartbroken by the loss of such a bright and beautiful soul.

A senior in high school, Anastasia was eagerly anticipating graduation this year. She had big dreams and a determined spirit and was proudly preparing for the ASVAB with plans to enlist in the Air National Guard after graduation and going to College after that. She was excited to serve her country and step boldly into the future she had so thoughtfully begun to build. Anastasia was known for her kindness, her cheerful heart, and her sweet and caring nature. She had a radiant smile that could light up any room and a warmth that made everyone feel welcomed and valued. She was always willing to lend a helping hand, offer encouragement, or simply sit and listen. Her compassion and genuine spirit left a lasting impression on all who had the privilege of knowing her. Creative and imaginative, Anastasia found joy in painting, crocheting, jewelry making, and building beautiful worlds inside Minecraft. She loved animals of every kind and had a tender heart for all living things. Whether she was crafting something with her hands or sharing laughter with friends, she brought color and light wherever she went. Though her life was far too short, Anastasia lived it with purpose, love, and a contagious joy that will never be forgotten. The suddenness of her passing has left an immeasurable void in the hearts of her family, friends, classmates, and all who loved her. She will be deeply missed and forever cherished. Her memory will live on in the lives she

touched, the kindness she showed, and the dreams she carried so bravely in her heart.
