“ *It took a while to get to know Adrienne but once I got to know her in all her eclectic ways I came to admire her spirit, her honesty and her determination to be herself and hoped that she felt the same about me. I wish I was more like her. Will miss seeing her walk through the doors.*

PS: Everyone knew how much she loved purple and her dear son. My condolences to Justus you have a lovely mother.

“ *Andrienne will be remembered by me for so many kind, wise and loving thoughts. It is difficult for me to believe that we will not together attend the Dublin Fireworks together and so many other activities. She has received the real gift of Shalom through God's provisions. Love for you forever until we meet again.*

“ *We will miss Andrienne's lovely gracious spirit. Kind heartened and always willing to lend a hand, sweet and thoughtful are just a few of the adjectives used to describe her. What a shock to lose her this early. Our heartfelt sympathies to her son Justus.*

“ *My deep sympathies to the family and friends of Andrienne Nethero. I had the pleasure of meeting her at church and I would just say that if I could sum her up in one word it would be this: nice. She was very nice; she was a kind-hearted woman and she will be missed.*

“ Andrienne was one of my associates. I loved how Andrienne was unique in her style. She loved to dress in purple. I will never forget her purple lace hosiery. They were so much fun.

Andrienne would always speak to everyone. She was quick to send a card for any special occasion.

Most of all, Andrienne was proud of her son. I am so glad they were able to go whale watching last year. Andrienne loved it.

I pray peace, God's peace will heal the families' grief. My thoughts are with you all.
