“ I had the opportunity to work with Angela and her VES team on new clinic projects for the past four years. Unfortunately, we never had an opportunity to meet in person due to scheduling conflicts... just her smiling face on video conference calls. She was a joy to work with and a solid Director for VES with a very loyal team working with her.

My heart goes out to Angela's family, friends and her VES co-workers for their loss. She will be missed.

“ I would like to send my prayers and condolences to the family & friends of Angela, she will truly be missed. She had a smile that just brighten up a room. I appreciate her taking the time out to meet me as my director, giving me positive feedbacks, and taking us bowling for team-building. From the brief time I known her, she really showed how much she cared for her peers and was an excellent leader. May you dance with Jesus now Angela, be happy, be joyful and be at peace forever.
