“ Dear Markus and Daniel,
We are Dan and Ruth Martin and we have known your mom/parents since your Dad was a resident in psychiatry with Dan in 1967. We drove "all the way" out to see the house on Wren Ln when it was just beginning to be the beautiful home that it finally became. We always wondered why Helmut and Angelika would buy a place with so long a commute. I felt that Angelika and I could reconnect immediately when we saw each other because of that long time relationship. Helmut was a wonderful help to Dan when Dan returned after serving in the Navy to take a job at OSU Dept. of Psychiatry. I know over the years Angelika had many health problems, and she met Dan and I a couple of years ago for lunch at the Hunan Lion. She was well then, and we had a wonderful lunch remembering our times together. It is good that we have that as our last memory of her. Your dad was gone too soon and at least they are now together. Please accept our deepest sympathy.

“ Angela was a very gracious and warm-hearted person, and i so enjoyed the times we had to chat at the office (Ohio Sleep Medicine Institute) where i work, and at the summer pools parties and Christmas dinners she and Dr. Helmut Schmidt hosted. My thoughts are with Markus and Daniel and their families for the loss of this dear and wonderful woman.

“ I was one of Angelika's "dance buddies". I would see her out a couple of times a month at different events and we would visit a little. She so enjoyed every moment she spent on a dance floor, as evidenced by her huge smile from the first step to the last note of whatever song she was dancing to. I know she danced her way to the Gates of Heaven. May her memory be eternal.
