“ *Jeff, Becky, family and close friends. We offer our sincere condolences to each of you. When Jeff and Becky were small children living on 14th avenue in Columbus, Ohio, Ann and Joe took us into their home at a time in our life when we needed family the most. Ann and Joe opened their heart to our Mother, my sisters Kay, Cheryl and me. We have loved Ann, Joe and their children, Jeff and Becky ever sense. I was able to meet Lyle, the love of Ann's life but we were never able to spend quality time together. Ann is in a wonderful place and the great song "If you could only see me now" come to mind. God Bless all of you and Ann always gave more to others than to herself.*

“ *I will miss Ann so much..she was a lot more than a friend and some time mother. My brother, Larry, and I wouldn't be who and where we are if she hadn't taken us under her wing. Becky and Jeff were very special...we were family. I feel blessed to have been a part of her life. I talked to her on Sundays....I'll miss that!*
