“ I was so sad to hear about "Anna". We became friends at Grinders. She was so hard working and always had something good to say about people. She was truly a good person and her family so important to her. I know at times she wasn't feeling well, but did her job without a word. I am sure she will be missed by her family. She was willing to pitch in when she could. My deepest sorrow for the whold family. With fond memories, Sue LeBeau
