“ We are so sad to hear of Anthony’s passing. Had we known we would’ve been at his funeral Mass at Our Lady of Peace. We met Margaret and Anthony @OLOP many years ago and enjoyed both of their friendships and in later years my husband Gary got together with Anthony from time to time. Both he and Margaret were very special friends. Anthony talked many times about family and we know that his family was always very attentive to him, especially after Margaret passed. Rest in peace, Anthony. 🕊️🌹 love, Gary and Mimi Bontempo

“ Condolences and prayers to Anthony Bracaloni's family. I saw him a few months ago having lunch with a friend, Gary B., and it was good to see him as I would send cards to him on major holidays. He was a former, devoted OLP usher and his wife was the OLP Prayer Line coordinator b/4 she passed. RIP Anthony, I'll miss your smile and your sporty Mustang.

*We here at Kenbrook Village Apartments will miss Anthony dearly. He was the center of every gathering. Friendly and witty as he attended our euchre gatherings and pool parties. He was a long time member of The Village Coffee Club here. Rip Anthony and many prayers to his family.*

*I just got to know Anthony in the last six months since playing weekly euchre at Steve's. I will miss Anthony's wonderful smile and his eyes that sparkled when he made "a loner"! He loved to win but he was gracious when we didn't! Steve took great care of Anthony so he could stay at Kenbrook and I know Anthony thrived because of his care. Ann Underwood*

*So sorry but I am just finding out about Brac's passing. Brac was a friend of my father (Angelo "Billy" Casino) since childhood. They grew up in fly town together, went to Aquinas High School together. I remember Brac would stop by dad's restaurant regularly if not everyday and hang out in the kitchen talking to dad for hours. Dad would be cooking and they would talk and laugh like they were at a party. Dad would always say that Brac he is sharp. Sharp as a tack. RIP Brac you were a big part of my childhood.*
