“ Shirley and family, I just learned of Tony's passing and wanted to convey my condolences, even though late. I'm so sorry to hear of your loss! So many memories are running through my mind from many years ago...1970's, Christ The King Church, meetings at your house out east and in your Clintonville home. You both were so kind and generous to us and how helpful Tony was in our Charismatic journey. My thoughts and prayers are with you and your family.  
Thinking of you,

“ Shirley and family. Marilyn and I are praying for you all during these rough times when a patriarch departs. While we understand these are sad times I know Tony would be expecting a laugh or two from the people he loved. It's always that way because there are always good memories that need to be cheered.  
Prayers with you. God Speed Anthony.
