“ Dan, It is with deep sympathy I send this. I am so sorry to hear of the passing of your daughter. You and your family have and will be in my daily prayers. Look to God for strength. Times like this can be hard to be positive or understand why, but do not lose faith. Although now it may be hard to see, but good will come from Ashley's life. It sounds like Ashley interacted with many students. This interaction along with Ashley's passing will positively impact these young lives to do more than they thought possible. Ashley will be apart of these students for years, which will help these students mold their future and ultimately their lives. With Deep Sympathy,

“ *Laura and family: my deepest sympathy to your family during this extremely difficult time. When i worked with Laura at James Care Dublin we often swapped stories of our daughters as they were growing up and the silly things they did, and their passion for their pets. I hope the memories of Ashley's childhood and growth into adulthood will eventually be a comfort to you both, knowing it will be a long time for the painful grief to eventually be replaced by the love felt for her. My thoughts and prayers are with you.....suzy zahn*

“ Dear Fetsko Family, I am so sorry to have read of your loss, please accept my sincere condolences. Something that I have personally found to be of great comfort is what the Bible says at John 5:28,29 And revelation 21:4. In these verses we see that soon God is going to bring about a resurrection of our loved ones as well as do away with all causes we have for suffering including sickness and death. Knowing this has always comforted me and it is my sincere hope that these thoughts comfort your family as well. Rebekah.
