“ Aunt Audrey, you will be missed dearly. I remember when you lived in Oklahoma and my dad took us there to visit you. You took us to ORU. This is when we took a tour of the "Walk Through Bible Diorama", it was one of the coolest experiences. Of course, we also went to church. It was at this moment for the first time that I really felt my heart being touched by God. To all my Aunts and Dad, may you find peace in the memories that you all share of Aunt Audrey to get you through this difficult time of grieving. Love and miss you all, Kimmy
