“ Audrey and I met when my family and I moved in across the street from her. She always amazed me at her strength and resilience. She was so kind and fun to chat with. She would see me and my sons outside playing and she would come outside to chat with us curlers in her hair and all! She took so much time and effort to throw a wonderful Christmas party for all the neighbors, new and old each year. She always had a smile and a hug for me and my family. She was filled with such spirit and vitality, I was in awe of her. We will miss her greatly. I'm sending our love to her and her family.
