“ *Dear Joanna, Janet, and Deen: We have been thinking of all of you in the last while, have lit a candle in memory of Whitie, and now want you to know that we are present with you in spirit as you gather to celebrate his unique life. We did not know Whitie very well but his endearing mischievous smile and presence reflected the warmth and love that he had for life and especially for his circle of friends. We are honored to have been part of that circle from time to time. With this we send our condolences and love, Carrie & John*

“ You all are in our thoughts and prayers. Our hearts are heavy for you all and I can't seem to find the right words. At time like these maybe words will never seem adequate...Baby John is a very special little guy and now it seems absurd that his time on earth was so short. We pray for your peace and his everlasting joy. Much love, the Hamiltons
