“ *Barbara was such a sweet kind lady with such versatility and talent. She taught my daughter, Bethany (Cromley) Wagner, piano lessons from when she was in 4th or 5th grade until maybe sophomore year in high school. Even when my daughter got a temporary interest in learning to play guitar, she found an online tutorial and worked with Bethany on learning the guitar. Rest in peace and may God comfort your family in this loss.*

“ Linda, your mom was the epitome of love, kindness and JOY! I am so grateful I was able to visit her on several occasions while I was in Columbus and especially the last time when the two of you played a duet on her piano! What an incredible example she left for so many students, friends and family!!! I am grateful to have known her and that she raised such a beautiful daughter as you!!! Blessings to you as you say goodbye for now, but know she has been Promoted to Heaven and will watch over you!!!

“ Barb was my piano teacher when I was growing up but more important she was my Mom’s dear friend. Their friendship went thru decades together. While the last time we spoke was 4 years ago when my Mom passed, her light and love for music will forever live in my heart. What a wonderful person, full of kindness. I will forever remember her dearly. Sending love and prayers to her wonderful family during this time.

“ I remember when Barbara and Steve were married at Worthington United Methodist Church. I was unable to attend because of another commitment, but I learned from friends who did that it was a glorious event. Barbara was very well liked along with Steve. People who visited them at home said that their home was just wonderful with all Barbara's piano playing.
