“ *Dear Howie, We are so saddened to hear of Barbs passing. I remember 30+ years ago starting in the Accounting Dept and Barb was the first one to talk to me. We always had a good time working together. Of course as our friendships grew we cannot forgot about the fun we had camping together. We wish you peace and comfort as you deal with your loss day by day. It is a process and not something you will get over - you only get through. As the days pass the tears will be replace by memories. Remember she is always with you doing what she can from above. Love Deanne and Dyker.*

“ *Howie: You have my sympathy for the loss of your wife, Barbara. What a terrible thing. I have always looked forward to seeing you guys at our 1960 class reunion. She was too young to go. I thought us old guys were supposed to go first. I just learned about her passing via an email from Shelby today. Hang in there, my friend and classmate.
