“ *My mother was a very intricate part of my being. I won't be the same but, I will be better knowing I did the best for her that I could at the time. Mom I love you & will continue to miss you deeply.*

My mother was a very intricate part of my being. I won't be the same but, I will be better knowing I did what I thought was best for her that I could at the time. Mom I love you & will miss you deeply.

Ms. Jean as I always called you... This really saddens me to hear about your passing. First Toni and even though we don't keep in touch I always felt closeness to the Graveley family. Toni, Sharon, and myself all grew up together and you were just like a mother to me always! I love you all and you will be sadly missed - tell Mommie I said I love her for me please.
