“ *Trying again. Think Barbara was a baby when we visited and Jay & Olma were there. We had a picknick along the River with Aunt Marjorie/Monna R./Great Aunt Stell & Uncle John. Lots of good memories. With sympathy and sorrow I received the news. Would love to be with you-all but Arizona is too long a trip for me now. Would love visits here (Harry has address). My heart aches for your loss. God bless you each, and may good memories help to heal your hearts and minds. Your cousin from Ohio/AZ*

“ To Barb's family, My condolences go out to you. I had the pleasure of being able to work with Barb. She always made it a point to speak to me when she saw me and never failed to pass any messages on whether she thought they were important or not. Time will ease the pain of her passing. But memories will live on. Prayers will be with the family.

“ I had the opportunity to spend time with "Grandma" Barb and her grandson on many occasions. I will always remember her as Michael's sassy Grandma. She was an amazing lady and a true class act. One thing I will always remember is her laugh and that she always had a smile on her face. Barb, may you now rest in peace and shine down on all who loved you. You will be missed, DJ
