Fortunately a friend found us at the Worthington music on the square tonight. We will be able to go to the mass at St Michaels tomorrow morning. I am so pleased we were able to share the final photos with you last Wed. We loved Mickey and all she was!!!*

“ For more than forty years we have had the privilege and the blessing of calling Micki our dear friend. Over the years she has generously shared her laughter, wisdom, her family, and love of life with all of us, embracing us as if one big family.

As someone who lived her faith, she was an angel God put here on earth who is now one of his brightest stars shining down upon us.

Praying the peace and comfort of God's love surrounds you all.
