“ *Dear Steve and family--I was deeply saddened to learn of Barb's passing. My heart goes out to you all. I have wonderful memories of my sophomore year "roomie" at OWU and Delta Gamma sorority sister. One particularly fond memory is of the Delta Gamma formal initiation--Barb and I got the giggles so badly that we were relegated to the attic where we were supposed to prepare the initiates for the ceremony. I'm afraid that we got them going too!*

*Thanks to Barb's efforts, we remained in contact over the years and were able to meet up in Ohio a few times. She was a beautiful person inside and out and has had remarkable courage during these last years. I will miss her.*

*Love, Karen Poulson*
