“ *I worked with Barb at Cleveland Clinic Star Imaging. What a wonderful, cheerful personality who has gone too soon. I'll miss the sparkle in her eyes when she spoke of her grandchildren. On Friday mornings (before football Saturdays), I'd leave the East Main office saying "O-H", knowing I would get an "I-O" from her....I'll miss hat this coming season. I started praying for her daily when she first told me of her problem; I'll continue to pray for her family.*
