“ *As in all good Indian families (the fahters side), I was really looking forward to choosing the right man for Vanessa. A man who had a heart full of kindness and care, a mind full of adventure and exciting times and the flexibility to be both sensitive and strong depending on what the situation needs. But, typical of my VV she went and found him herself. manifested him actually, but thats another story. We all love Tom and his family and we are so happy that he has made the wise choice to love, honour and cherish the most loyal, loving and special girl who taught me unconditional love and I dare say has amazed Tom with the depts of her love for him. Congratulations, I love how you care for and love each other truly an inspiration. This (stress free) wedding is about how much you love each other and the special people that make up your lives, I cant wait. From my heart to yours, Mummy xx*

“ Barb touched each of us in a very special way. Her never ending love and caring for all of us at the lake was Barb. I will always treasure her sense of humor, the great times we had and her beautiful smile. She lived her faith and though we are so saddened, we also know we will see her again. I was so blessed and priveledged to know her and the family. Love, Elaine

“ Barbara was a classmate at Mt. Carmel. Living, working and studying together as well as playing together for three years we formed a bond of friendship that last a lifetime. We are sad when a life here on earth leaves the rest of us, but we will not forget the memories. Thanks Barbara for those.

“ Because of Mrs. Schroeder I learned that breakfast is a big deal that calls for pancakes and sausages. It was never too much for her to whip up a morning feast for Ann and I. She was one of those moms who taught us all what a great mom is. My thoughts are with you all at this difficult time.

“ *Barb (aka Bunny), You have been such an inspiration to so many. You showed me what a truly wonderful Mother and Grandmother could be. You don't know what an impact you had on who I am today and how much those years as your daughter in law meant to me. You have and will always be in my heart. I, and anyone that has been a part of your life can only continue to aspire to be half the lady that you always were. The Grandchildren have been truly blessed to have had such a loving, caring, fun and one of a kind Grandmother. You have left so many great memories that they will carry with them the rest of their lives. You will be truly missed. Love, Tina*
