“ Bill and family, I am just learning of Bonnie’s passing and I just had to send my love and condolences. I ha e the best memories of Bonnie and me working at the Maple Lee Flower Shop in Worthington. We had so much fun arranging flowers, selling gifts but most of all laughing and having a good time at work. It never felt like work when Bonnie and I were out front selling flowers and gifts. I’ll always remember those days for the rest of my life. She was a funny, talented, thoughtful human being.

“ Bill, Jeff, Randy, I am so sorry Bonnie is gone. What fun memories I have of the summer trips we took together. That group of people, Bill J, Tom & Norma, Bill & Ruth, Bill & Bonnie and I were a tight group. I remember how fun it was to see everyone again when I returned to Columbus several years ago. Rest In peace Bonnie.

“ Bill and family, I am so sorry to hear of Bonnie's passing. She - and you - meant so much to me when I was in high school when you guys were our fellowship leaders. Thank you so much for sharing your home, your family, and your wisdom with all of us! I am so glad that we got to see you and Bonnie in June at our reunion - tears come to my eyes thinking about how wonderful it was to spend some time with you. You and Bonnie set me on the right path, and I will never forget either of you. You guys can be very proud of the legacy you created with a group of high schoolers who went on to have successful careers and have wonderful lives. Please know that you and Bonnie live on in the hearts of those you touched.
