“ I went to school with Benita - we graduated 8th grade together, 50 years ago, but unfortunately my family moved away and I didn't see her again. She was a lot of fun, I do remember that much. My condolences to the family.

“ I never in over 30 years of knowing Benita had nothing but good times with her. We talked about many things and usually agreed on stuff. I am so going to miss her. Columbus will never be the same for me now. Respectfully Rich Dodaro

“ Benita and I shared many times laughing together about life and family, Our girls around the same age so many family times as they grew up although they lived in Ohio. Benita was a most loving Aunt to my girls, hugging and kissing them when she was with us. I will deeply miss you Benita and may you RIP . I will miss our conversations though seldom through the recent years. RWG

“ Girls, I am truly sorry for your loss. I talked with Benita at your wedding Kate, and we both were sharing in how you and Liz have grown into the woman your are and how proud we both were of you two.

We both shared a sisterhood of being best friends mothers. Though our lives were lived separate and different and we didn't see each other much, our bond of knowing our girls were good in the care of each other and knowing that her and I cared deeply for you Kate and Liz made us friends as well.

My heart breaks for you and your family. My thoughts are with all of you in your time of grief. If you need anything, do not hesitate to reach out.
